

Creekside Village East Survey

Below are a few questions that should take 5-10 minutes to answer.

The HOA is currently in the process of preparing a long-range strategic plan for the Community. This plan will formalize a vision for the community, as well as help in developing a long-term operating and financial plan for the Community.

Your input as a Community Member is critical to form a plan that reflects the membership's needs and ideas for the betterment of the Community. We need your help in identifying and prioritizing goals for the strategic plan.

The survey is meant to remain anonymous, please do not include your name or address anywhere on the survey. The results of the survey will be shared with the Creekside Village East Community at the monthly membership meeting, on the community website, and in the community newsletter. We look forward to receiving your input. Survey will be closed on December 31, 2016

**Thank you for your time,
